

ATTACHMENT D - MACHINE LOCATIONS & TYPE

The County of Orange does not guarantee any specific volume of usage under this solicitation or any resultant Contract. This attachment represents the County's current approximate inventory of vending machine types and site locations known at the time of solicitation issuance. The information provided is for reference purposes only and may vary throughout the Contract term based on the operational needs of County departments and agencies.

The vending machine types, quantities, and locations identified in this attachment are not guaranteed and are not limited to the locations listed. County reserves the right to add, remove, relocate, or modify vending machine locations, equipment types, and service requirements during the term of the Contract as operational needs change.
